Celebrate your birthday with us «differente»

Celebrate your next birthday with us!
We are giving all birthday boys and girls
their main course on the house and we
also have a surprise for you!

Reserve your table with the keyword
«birthday» and don't forget your ID –
we'll take care of the rest!

Incidentally, if the birthday party is set to be
a large-scale event, we have the perfect
premises for fabulous parties for up to 200 people.
Or would you rather plan a little tête à tête?
That's also fine – we are sure to have the perfect
table for you!

Happy Birthday!
